## New Titles

In June at the Savannah Obedience Club, Irene LeVine and Maggie – Rally Novice, Irene and Kira – Rally Advance. We also had a chance to participate in the Bahama Invitational were Kira got her Bahama Beginner Novice and Novice titles. Tess got here Novice title and Haylee got her Beginner Novice.

Mona Kurth and Dusty got Rally Novice and Bahama Beginner Novice.

It was a fun time and the dogs got to play.

Terri Bell's Miley earned her CDX on Aug. 25 at the SOTC trail in ST. Pete. She finished her title with a first and two second places. I'm very proud of her since she is not even 2 years old yet.

Please send me your stories and any pictures to go with them. Also send information on new titles, new puppies, and old beloved dogs.

Also send information on tests or classes being offered, and new members and future meetings

This newsletter is a work in progress. Suggestions are welcome. Remember without your input it can't survive.

Thank you,  
Irene Le Vine

In the top group photo, Dusty sits tall among the shelties.

In the second group photo, Monkey, the Bahama Potcake dog, gets to sit with the shelties.

Potcakes are the national dog of the Bahamas. They are a streetwise dog that is cautious around people.
